

Erin E. McCabe

She/Her/Hers

ErinElizabethMcCabe@gmail.com · 708-674-1986

EDUCATION

Brown University

Digital & Cross-Disciplinary Literary Arts MFA, 2023-2025

Pratt Institute, School of Information

Master of Science in Library and Information Science, 2014-2016

* Advanced Certificate in Digital Humanities & Excellence in Academic Achievement Award

Concordia University (Montréal), College of Arts and Science

Bachelor of Arts in French Studies, 2004-2008

EXPERIENCE

Part-Time Open Science Liaison [remote]

Princeton Plasma Physics Laboratory

June 2023 - present

Duties include:

- Develop lab-wide and department-specific visual dashboards for Key Performance Indicators (KPIs) and other performance metrics
- Assist, define, establish, and recommend metadata schemas that optimize data-driven learning and implementation
- Develop and maintain guidance documentation on specific dashboards and Tableau best practices
- Collect and submit metadata and appropriate documents for federal reporting
- Maintain internally facing STI website(s)
- Engage with researchers to maintain their scholarly portfolios through ORCID and Scopus

Digital Scholarship Library Fellow

University of Cincinnati, Digital Scholarship Center [DSC]

July 2018 - June 2023

Duties include:

- Support research projects within transdisciplinary research teams composed of faculty from a range of disciplines in the humanities, social sciences, and STEM fields.
- Advise faculty and graduate students in the use of digital methods, including but not limited to text mining, AI/NLP solutions, modeling, data management and visualization.

Digital Scholarship Library Fellow [continued]

- Contribute to the development of the DSC's machine learning and visualization platform.
- Provide coordination and project management for research projects at the DSC.
- Contribute to digital humanities and digital scholarship at the University of Cincinnati through teaching/supervision, research assistance, digital curation or related activities.

Publisher Support Associate, Ithaka-JSTOR

July 2014 - July 2018

Duties included:

- Develop reports supporting the development of new collections by the editorial team and providing data insights to a variety of publishers.
- Manage 400+ publisher accounts: maintain relationships with contacts, track and implement agreements/riders
- Collaborate with programming, content management, and analytics teams to improve workflows
- Assist in the auditing process and build reports for annual archive revenue sharing and Publisher Sales Service (PSS) programs

Long Island University, Brooklyn | Adjunct Reference Librarian

January 2017 - July 2018

Duties included:

- Provide online and in-person reference service for university students.
- Act as patrons' first point of contact in the library for directional requests.

WORKSHOPS, and PRESENTATIONS

- “MFA Thesis Presentation Series”** with Tiffany Mi, Lindsey Pannor & Shefali Trivedi at *The Brown University Literary Arts Department*. Providence, RI. May, 2025.
- Art, Research, and AI: Collaborations Amongst Unlikely Bedfellows.** *Research in Praxis Discussion Series Presented by Queens College SLIS. [December 12, 2024]*
- 1910s Cannabis Discourse and Prohibition** with Dr. Isaac Campos et al. [March 2023.]
Drug History Project Site: <https://www.thedrugpage.org/cannabis-introduction>]
- “Can You Hear Me Major Tom? The US Mass Media Reporting on Exploration of Space.”** with Aida Ramusovic at *The Space Research Institute for Discovery & Exploration (SRIDE) Annual Symposium*. Cincinnati, OH. November 2022.
- “Linguistic Connectivity as Conversation in Early Modern Scholarship.”** Paper presentation with Sally Luken at *Sixteenth Century Society & Conference*. Minneapolis, MN. October 2022.
- “Modeling the Caselaw Access Project”** with Felix B. Chang. University of Pittsburgh’s Center for Governance and Markets. [Future of Law Virtual Seminar Series, Ep 2](#). November 2022.
- “New Competition Tools: DMA, Computational Antitrust and Beyond”** with Felix B. Chang. Vienna Competition Law Days. September, 2022.

“Doctrinal Implications of Computational Antitrust.” Paper Presentation with Felix B. Chang at *Computational Antitrust: Exploring Antitrust 3.0 (CodeX - Stanford Center for Legal Informatics)*. December. 14, 2021.

“Doctrinal Implications of Computational Antitrust.” Interview with Felix B. Chang on [Episode 6 of Stanford’s Computational Antitrust Podcast](#). October 11, 2021.

“Machines & Language: Natural Language Processing in Research.” Workshop power session at *University of Cincinnati Data Day*. Cincinnati, OH. October 23, 2020.

“Introduction to Machine Learning (w/Python)” Workshop presentation at *University of Louisville Digital Humanities Research Institute*. Louisville, KY. May 19, 2019.

“Data Sousveillance: An Analysis of Cultural and Congressional Surveillance Rhetoric Over Time.”
With S.E. Hackney, Rajene Hardeman, Allison Nellis, Laurin Paradise and Chris Alen Sula.
Panel presentation at *2016 Cultural Studies Association Annual Conference: Policing Crises Now*. Villanova, PA. June 4, 2016.

TEACHING

Undergraduate Digital & Cross-Disciplinary Literary Arts I. *Brown University, Fall 2024.*

Undergraduate Digital & Cross-Disciplinary Literary Arts II. *Brown University, Spring 2025.*

COMMUNITY / SERVICE

Pennsylvania Master Naturalist (trainee) Natural science training, local conservation work and community service, 2025.

Volunteer for Books through Bars [New York, Providence] Fulfilling book request letters from inmates around the country, 2017-2019 and 2024-2025.

CoPE [Collaborative Poetry Experiment] with Dani Clark. Managing a narrative medicine inspired expressive writing program w/AI input, supported in part by *Thrivent*. Cincinnati, OH. 2022.

Volunteer Reference Librarian for NYPL Correctional Services. Reference service through the mail for inmates in New York state and around the country, 2015-2017.

OTHER SKILLS / PROFICIENCIES

- Python, Command line, Git/Hub, HTML, CSS
- Data Management Tools: Institutional Data Repositories, Wordpress, Omeka
- Visualization Tools: Tableau, Python Visualization packages, Gephi, Voyant
- Adobe Suite: Acrobat, Premiere, Animate, Photoshop, Illustrator
- Laser Cutting, Machine Embroidery, Tufting, Paper Making
- French Language Proficiency
